Dear Colleague,

As part of our celebration for Emergency Nurses Day on the 9th of October, the EuSEN board is excited to compile special video featuring messages from our members across different European countries.

We would be thrilled to have your participation in this project.

Could you please record a short video in your native language, saying the following:
"Emergency nurses make the difference."
"Happy Emergency Nurses Day!"

You can deliver the message either by yourself or with your fellow nurses.

For consistency, please hold your phone horizontally while recording the video.

Once you have recorded your message, please send the video via WhatsApp to +31 6 50651825 or by email to christienvdlingen@gmail.com at your earliest convenience (before August 15, 2024).

We will combine all the clips into a compilation video to showcase our diverse and dedicated Emergency Nursing Society.

By returning your video, you fully grant EuSEN permission to use it on its website and social media platforms.

Thank you very much for your contribution and for helping us celebrate the incredible work of Emergency Nurses in Europe.

Best regards,

Door Lauwaert
EuSEN President
